Assey v. American Honda Motor Co., Inc.

Motion in Limine Hearing May 1, 2025

Rulings on Defendant's omnibus motion in limine [Doc. 119]

#	Doc. Number	Subject of Motion	Held
1.	119	Evidence of discovery dispute history	Granted.
2.	119	Post-distribution evidence	Granted. This ruling may be revisited if Defendant opens the door at trial.
3.	119	Other settlements, verdict, judgments, or orders against Defendant or other automobile manufacturers	Granted. This ruling may be revisited if Defendant opens the door at trial.
4.	119	Evidence of Defendant's wealth beyond just net worth	Granted. This ruling may be revisited at trial.
5.	119	References to new defect theories or causes of action	Granted.
6.	119	References to "Japanese, Asian, or anti-American"	Denied with leave to raise at trial.
7.	119	Calling Honda's in-house counsel as a witness at trial	Granted.
8.	119	References to Honda's state of mind	Granted. Mr. Sicher may testify as to what obligations a reasonable manufacturer would have and what standards they should be aware of, as well as any documents showing Honda's knowledge or lack thereof, but cannot otherwise opine as to Honda's state of mind.
9.	119	Calling Honda's technical specialist as a witness at trial	Granted.
